

WE'RE HIRING TWO SUMMER STUDENTS

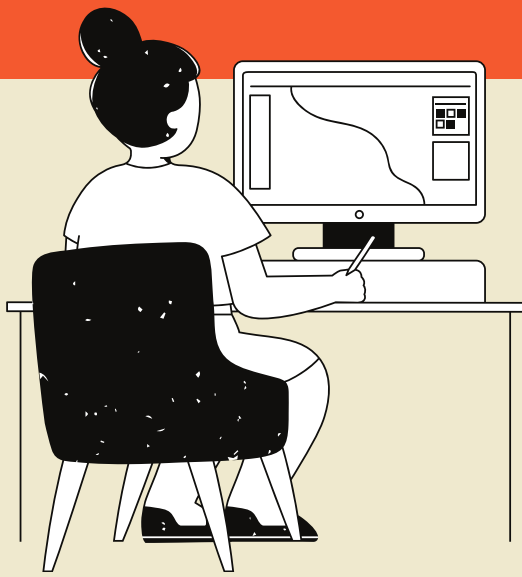

FOR A DIGITAL STORYTELLING PROJECT

HELP SOSA RECORD ITS HISTORY AND SHARE MEMBERS' STORIES

You'll be working with an intergenerational collaborative team.

For the past two years, SOSA has been developing its website, now available at sosainaction.com. For Summer 2021, we will focus on recording the history of our organization and starting a multi-year archival project. We're looking for two youth for the following roles:

POSITION 1: AUDIO AND VIDEO (A/V) RECORDING ASSISTANT

Practice and improve your skills
in digital media and website design

You'll provide the technical-creative support for this project. We're looking for a youth with experience and/or interest in digital media and website design (we use Wix for ours).

POSITION 2: COMMUNITY WORKER ASSISTANT

Practice and develop your skills in
outreach, interviewing and coordination

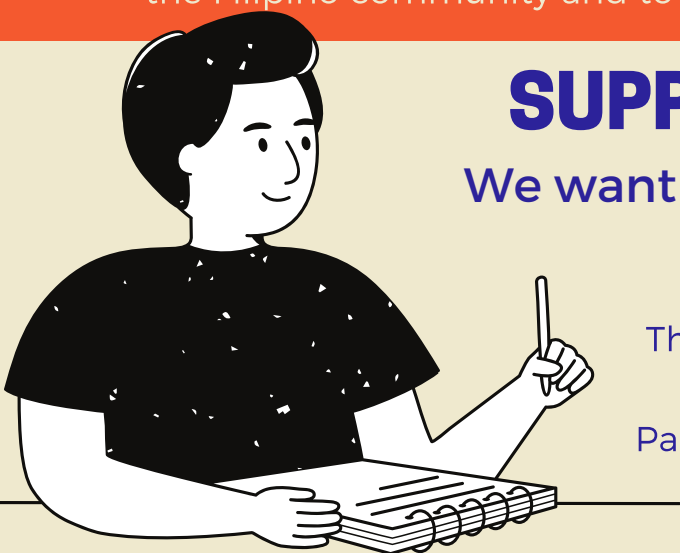

You'll work together with the A/V assistant to outreach to the SOSA membership, conduct interviews (Zoom or outdoors, physically distanced), and promote the project in the Filipino community and to the broader public.

SUPPORTING YOUTH LEADERSHIP

We want you to bring your energy, experience, and expertise - we want to learn from you!

The two summer students will work with SOSA's leadership and three volunteer mentors (Monica Batac, Teilhard Paradela, and Dr. Ilyan Ferrer). You'll have the opportunity to develop your skills in a supportive environment.
